

SHAMIL KHAIBULLOV

Frontend Engineer

Porto, Portugal (work authorized) | hello@shamil.dev | shamil.dev | linkedin.com/in/shamil-khaibullov

SUMMARY

Frontend Engineer with 4+ years of experience building responsive, accessible web apps with React, TypeScript, and Astro. Delivered 10+ client and non-profit projects end-to-end, from concept to launch, plus backend work with Node.js and Supabase.

SKILLS

Frontend: React, React Router v7 / Remix, Astro, TypeScript, JavaScript, HTML5, CSS3, Tailwind CSS, Accessibility (WCAG)

Backend: Node.js, Express, REST APIs, Supabase, PostgreSQL, Prisma

Tools: Git/GitHub, Figma, Vite, Vercel, Netlify

EXPERIENCE

Frontend Engineer / Website Owner — Toastmasters District 109 (Portugal & Malta)

- Led end-to-end delivery of two conference websites (MALTALINK 2025, FOLTirana 2026), from structure through launch and maintenance.
- Manage the district website for 500+ members across Portugal and Malta, handling content, performance, and event pages.
- Implemented PostHog analytics tracking 1.64K visitors from 10+ countries for a major conference site.

Independent Frontend Engineer — Client Projects — Remote / Porto, Portugal

- Delivered 9+ websites and web apps for individuals and non-profits using Astro, React Router 7, and TypeScript.
- Built and launched a bilingual website that grew audience reach by 60% over two years.
- Partnered directly with designers and clients, owning projects from concept to launch.

Web Development Instructor — Progekids — Istanbul, Turkey

- Taught HTML, CSS, and JavaScript across 250+ sessions, achieving a 50% student retention rate.

PROJECTS

- Task2Check — task2check.vercel.app — AI-powered IELTS writing checker. React Router 7, TypeScript, OpenAI.
- Receipt Scanner Dashboard — receipts-scanner-pied.vercel.app. React Router 7, TypeScript, SQLite/Turso, Better Auth.

EDUCATION & CERTIFICATIONS

- Meta Front-End Developer Professional Certificate — Coursera/Meta, 2020.
- Full-Stack React/Remix Mentorship Program — LinkedIn, 2023–2024.
- Postgraduate Diploma in Mechanical Engineering — Kazan State Agrarian University, 2009.
